MASSEY LOSES IN CLOSE GAME

In a fast and closely contested game between C. C. A. and Massey Business College, the latter was defeated by the close score of 2 to 1 yesterday, although the Massey nine outplayed their opponents.

Bass, who twirled for the Masseyites, was in fine form, and pitched a steady game, only allowing three hits. He is likely to take the mound against the Medicoes to-morrow. All of the Massey boys played brilliant ball, but lost through hard luck.

aged to nose out a victory over the Benedictine cadets by the score of 7 to 6.

The eadets for the first five innings had things all their own way, but Coleman, pitching for the Spiders, tightened up, and with his support playing gilt-edge ball the cadets were unable to cross the pan.

Hierholzer for the cadets pitched good ball until the seventh frame, when he was relieved by Curran after the Spiders had tied the score.

In the first frame Irby connected for his third hit of the game, scoring Carter with the winning run.

For the cadets, Liesfield led at the bat, while Poliard played a nice game in the short field.

Irby and Carter batted well for the Spiders, and Grey in centre field took everything in his territory in great style.

Dixon, the star pitcher of the Spiders, is in the hospital and will not be able to go on the trip. This will leave Hulcher and Flannagan as the mainstays of the pitching staff.

Coach Griffin has been greatly pleased with the showing made by Flannagan in the last few days. This lefthander has good control and some very puzzling benders. He has had considerable trouble getting his arm in shape, but it is giving him no trouble at present. When he is going good few batters can touch him. Griffin says he has one of the best fast balls he has ever seen, and great things are expected of him on the trip.

The Spiders will endeavor to retrieve their defeats of the beginning of the season, and it will be a very different team that will go on the trip. Dixon, the star pitcher of the

WEST END CLUB

o'clock at the Bushess Men's Cital, American National Bank Building, for the purpose of adopting shooting rules, etc.

The club starts out with a membership of over sixty, and already boasts of a larger membership than any gun club has heretofore had in Richmond. The big majority of the members are men who have had little or me sperience shooting clay pigeons, and an interesting feature will be that these men will be put in classes, the leader of his class securing a silver spoon as a trophy.

The "silver spoon" idea is fast becoming popular with all of the larger gun clubs, and in the large clubs in Philadelphia and New York some of their shooters have won enough spoons to make a set. These trophles go to the highest score in each class, and as there will be at Isast four classes in the West End Gun Club there will be four spoons given out every two weeks.

The trap will be in place and everything in readiness next week, and several impromptu shoots will be held in preparation for the opening the first Wednesday in May, John C. Esaley, president, will appoint his permanent committees this afternoon, and Thomas W. Purcell will be made vice-president.
